

LEADERSHIP

Edgewood 2012

CLASS SCHEDULE

One session per month. 9am to 5pm (locations vary) Please mark these dates on your calendar now.

January 19, 2012

Course Overview: Business & Economy

Developing and growing a successful business in Edgewood. Keynote speakers, and a full panel comprised of business leaders, local and state will be part of the experience.

June 21, 2012

Course Overview Legal, Law and Public Safety

Safety, fire, and law enforcement are key issues in the community and for businesses. This session will offer participants an understanding of functions and overlap of key leaders in public safety within the 3 county system.

February 16, 2012

Course Overview: Government & Politics

Understanding and leveraging the impact of government on businesses within the Edgewood area. Includes trip to Santa Fe and local candidate forum.

July 13, 2012 Graduation

This final session merges ending with beginning. Leadership Edgewood 2012 participants celebrate the conclusion of their sessions with a commencement ceremony and Chamber wide dinner event.

March 15, 2012

Course Overview: Art, Culture and History of Edgewood

An overview of the thriving arts, culture and entertainment media in Edgewood and a look at the history of the development of Edgewood.

April 19, 2012

Course Overview: Education

A well educated community is often a prosperous one. This session will explore the educational systems within Edgewood and surrounding areas.

This program is sponsored by the Edgewood Chamber of Commerce
95 State Road 344 Suite 3
Mailing: PO Box 457
Edgewood, New Mexico 87015

If you have any questions or need additional information, call or e-mail:

May 17, 2012

Course Overview: Health and Human Services

Small business owners often find themselves functioning as their own human resource department. This session will equip local business with information identifying medical, health, social and non-profit resources within the community.
